WORK EXPERIENCE AND CAREER DIRECTIONS

These questions are to help us get to know you as future leaders, to help us select participants who will benefit from the program, and to prepare us for the interview. We ask only brief responses.

1. What is your current position?

Company & title, duties if not obvious.

2. Do you supervise staff?

How many?

3. What is the leadership component of your current position?

Eg. issues in leading people reporting to you; roles in strategic planning at team, business unit or organisational level; leadership of ideas; significant projects or challenges beyond basic administration/management duties of your position.

4. What are your initial thoughts on finding work projects to use in this course?

We will discuss this further at the interview. Although the nature of these will not yet be clear, we are interested in whether projects requiring leadership are potentially available where you work. If not, you or we may be able to find projects in other organizations.

5. What are your career goals for the next 5 years?

Eg position, nature of work, alternate career/industry experience, formal qualifications, important skills you'd like to develop.

6. Please list any leadership development activities you've been involved in.

Eg. in-house or external training programs, tertiary courses, mentoring schemes, job placements.

7. What would you most like to get out of attending the Leading Edge program?

8. What is your preferred method of learning?

9. What is the biggest challenge you anticipate in completing this program?

ADDITIONAL INFORMATION
